New River Kinematics

presents

SpatialAnalyzer West Coast User's Seminar

10:00 AM – 2:00 PM with Two Dates/Locations for your convenience:

- **October 12 – The Museum of Flight – Seattle, WA**
- **October 13 – The Future of Flight – Everett, WA**

Sponsored by New River Kinematics

Your Free Registration is required – as lunch will be provided and space is limited.

We invite you to hear how companies are utilizing SpatialAnalyzer to reduce costs, increase productivity, improve quality, and decrease cycle time plus much more.

New River Kinematics will have training sessions along with metrology experts sharing best practices. Come and expand your knowledge!

Topics include:

- Automation
- Reporting
- Model Based Inspection
- What's New in SA
- SA The Future
- Relationships

Certificates of Completion will be given to all who attend at the end of the seminars.

Please register early; a registration form is attached to this email, and on our website at www.kinematics.com

For any questions please contact Norman Gray at norman@kinematics.com

The software making all portable instruments better.
